**OLD WAYS  
WON'T OPEN  
NEW  
DOORS**

...The Fourth Industrial Revolution will have a huge impact on how companies function... bringing both opportunities and problems...

“We stand on the brink of a technological revolution that will fundamentally alter the way we live, work, and relate to one another. In its scale, scope, and complexity, the transformation will be unlike anything humankind has experienced before. We do not yet know just how it will unfold, but one thing is clear: the response to it must be integrated and comprehensive, involving all stakeholders of the global policy, from the public and private sectors to academia and civil society.”

...artificial intelligence is on the rise...

**In conditions of increased supply and demand uncertainty the ability to rapidly adopt or re-configure the supply chain becomes critical.**

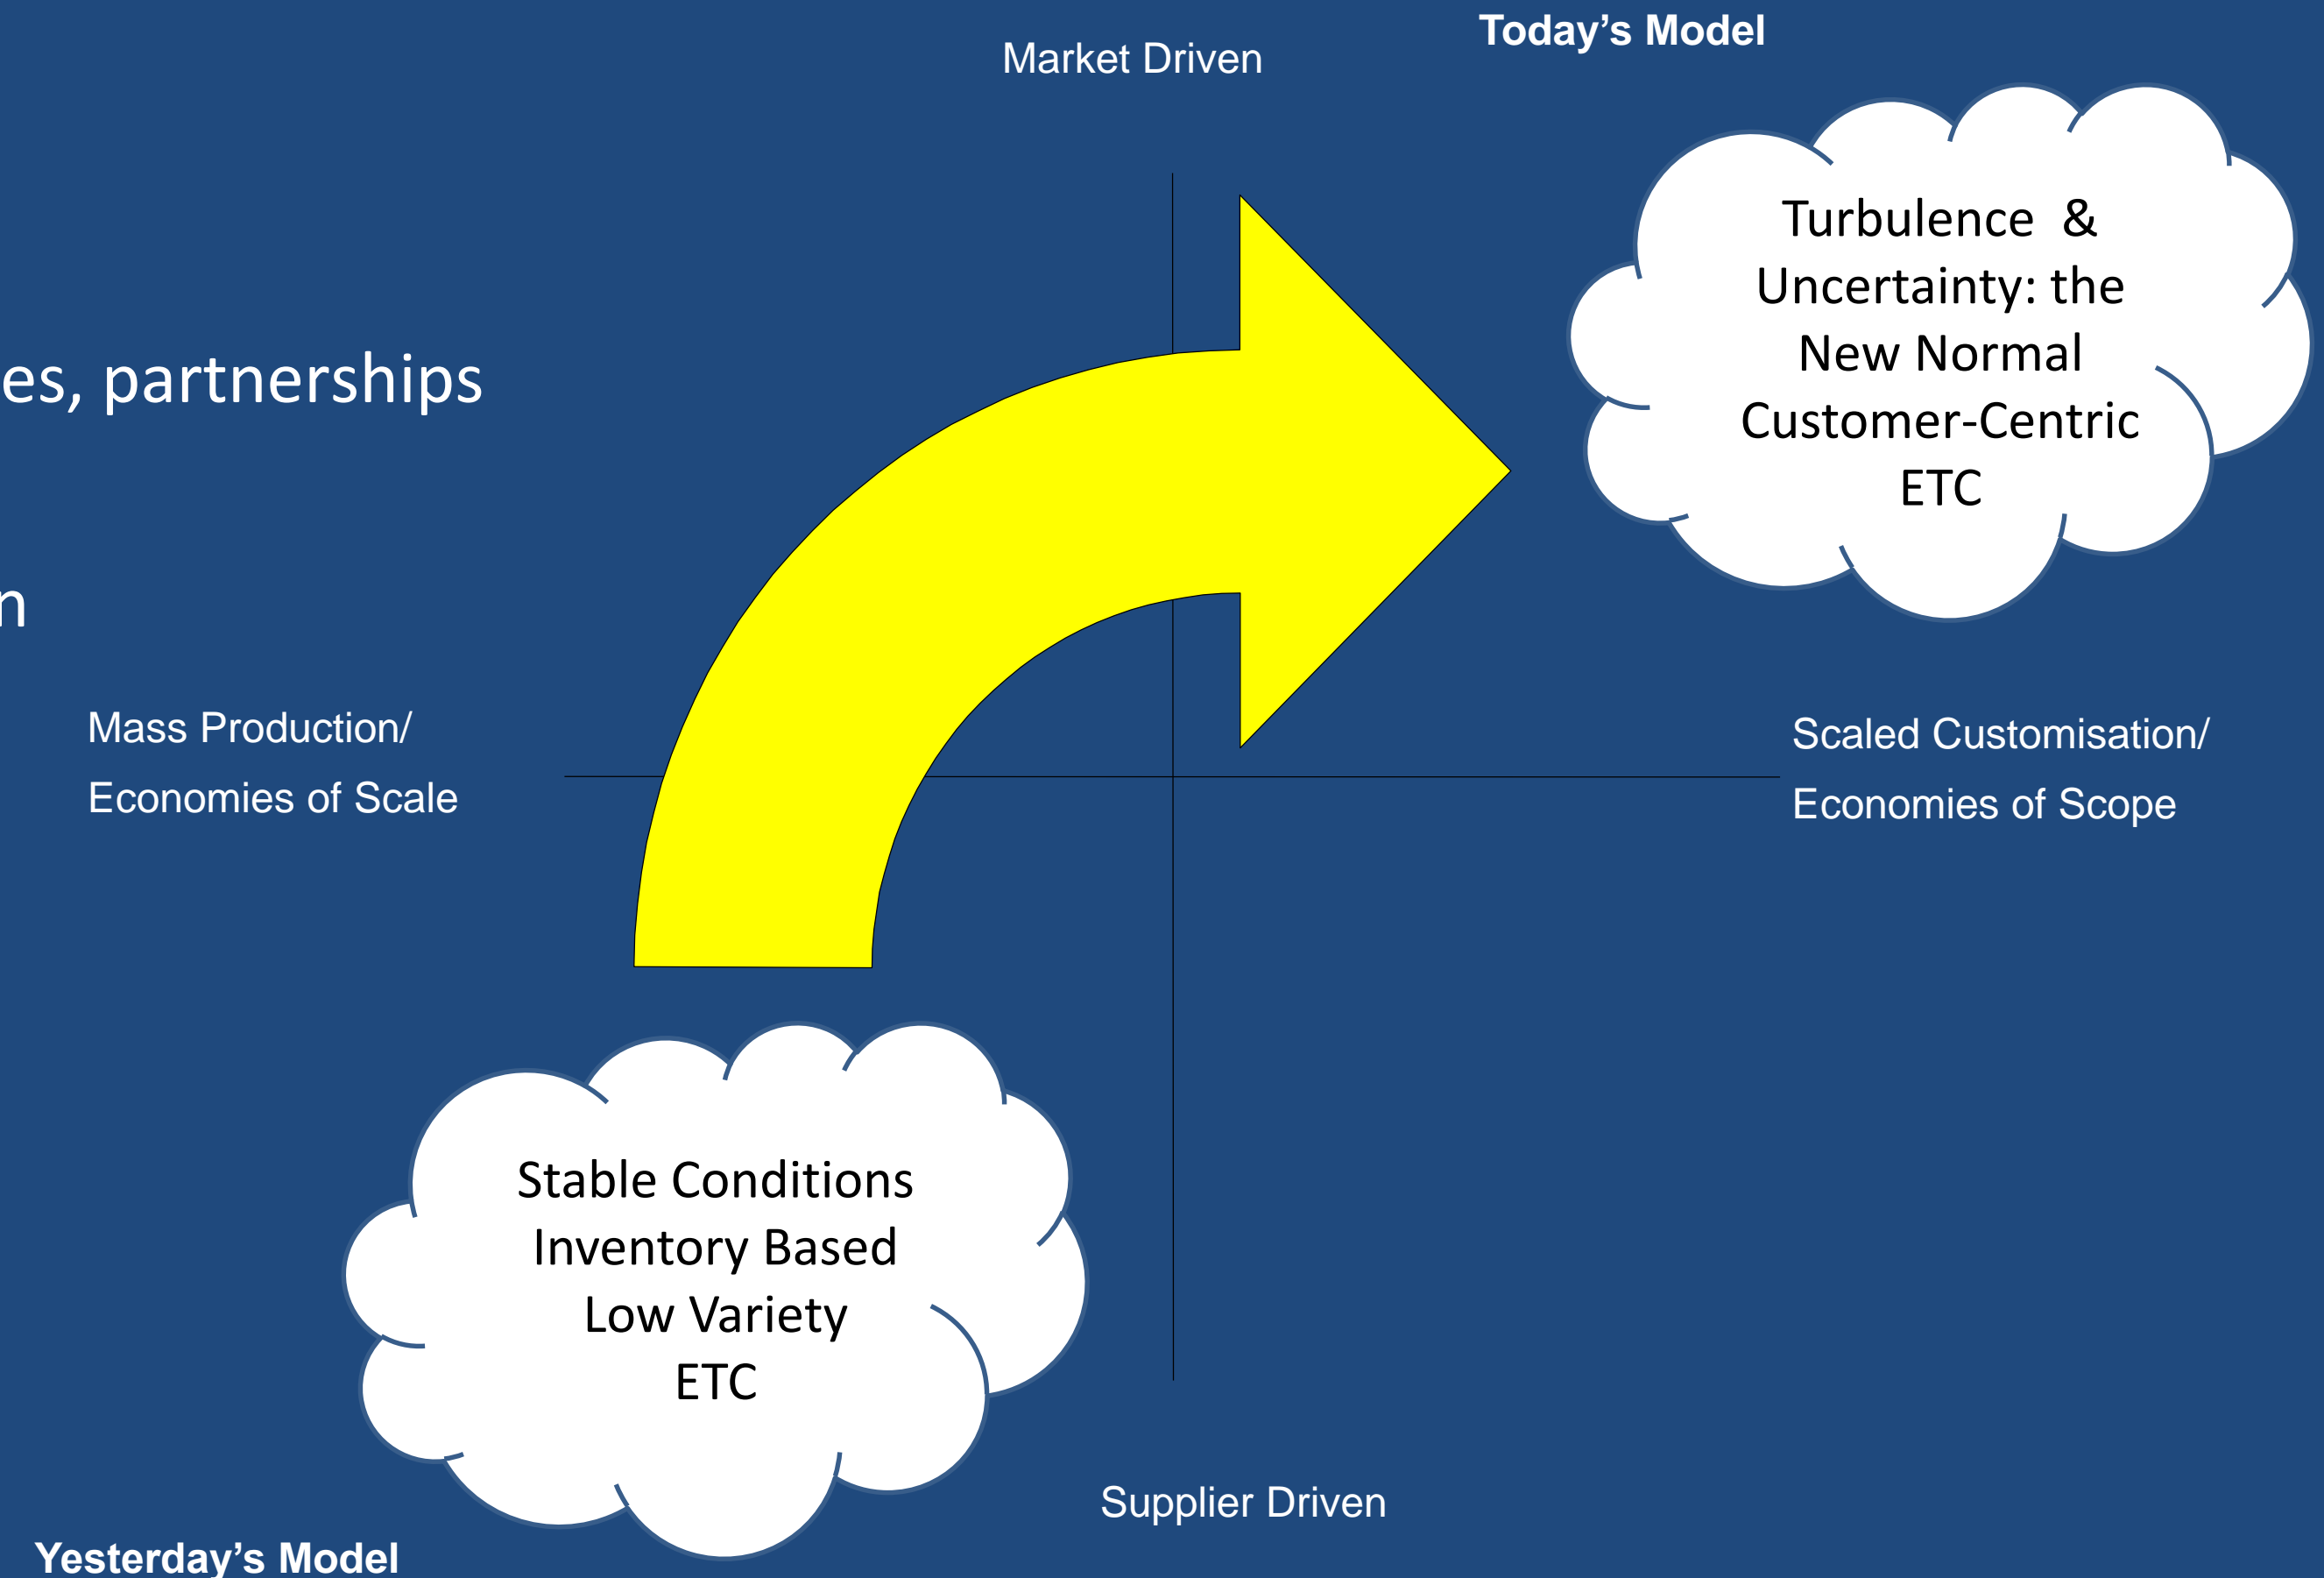

# ...Transforming Today, Not Tomorrow...

OMERA KHAN  
AN INSPIRING BUSINESS PERSPECTIVE

- “Triple A supply chain”
- Cultivate power of people, processes, partnerships
- Collaborative/Disruptive innovation
- Dare to disrupt

...Never ending learning for ever changing markets...
