

2010 – 2020

Upcoming 10-year Jubilee

“...gender is a business issue, not a women’s issue”

NEW is a collaboration between-

- GCE NODE, the global technology cluster for the energy and maritime industry, and
- Eyde Cluster, the Norwegian cluster for the sustainable process industry.

Our Vision

We shall contribute to the development of Southern Norway using... women’s position, experience and expertise

2010 – 2020
Upcoming 10-year Jubilee

From think tank to sustainable projects

NEW Facts	Know where you are when you start
NEW Get-Together	Create a space that is attractive
NEW Communication	Be clear / Be consistent / Repeat
NEW FACES	Influence the next generation
NEW Mentor	Where talent and experience meet, across industries, across gender
NEW Culture	Develop healthy business cultures
NEW Opportunities	Retain competence
