

# Origo Solutions

Hvordan skal Norge lykkes med skalering og eksport av bærekraftige løsninger

Sustainability through safety,  
environmental and asset integrity

# Technology Portfolio

## Safety Systems

- Emergency Shutdown Systems (ESD)
- Process Shutdown Systems (PSD)
- Fire and Gas Systems (F&G)
- High Integrity Pressure Protection Systems (HIPPS)
- Safety Communication Systems (SafeCom®)
- Fire and Gas Detection / Field Instrumentation (WIPS®)

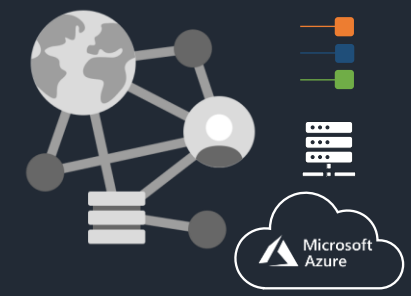

## Control Systems

- Process Control Systems (PCS)
- Utility Control Systems (UCS)
- Electro Control Supervisory Systems (ECSS)
- Field Instrumentation / Sensors

## Automation Systems

- Supervisory Control and Data Acquisition Systems (SCADA+™)
- Human Machine Interface (HMI)
- Information Management Systems (IMS)
- Alarm Management Systems (AMS)

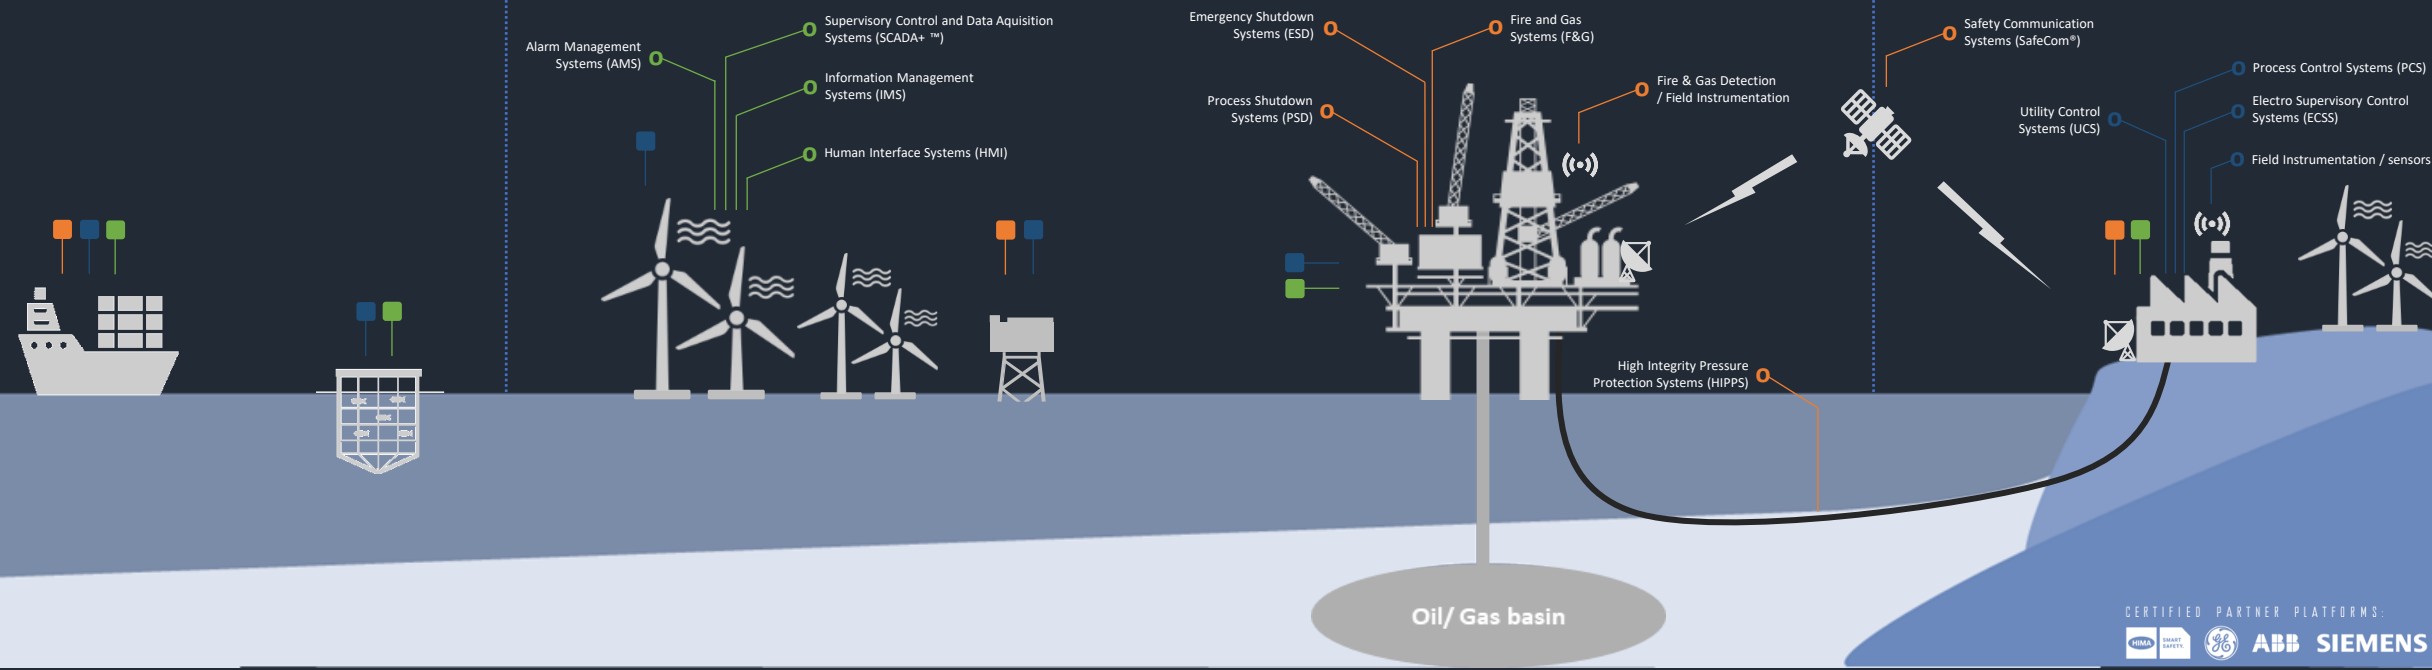

## Origo DataHub

### Marine / Aqua

### Energy

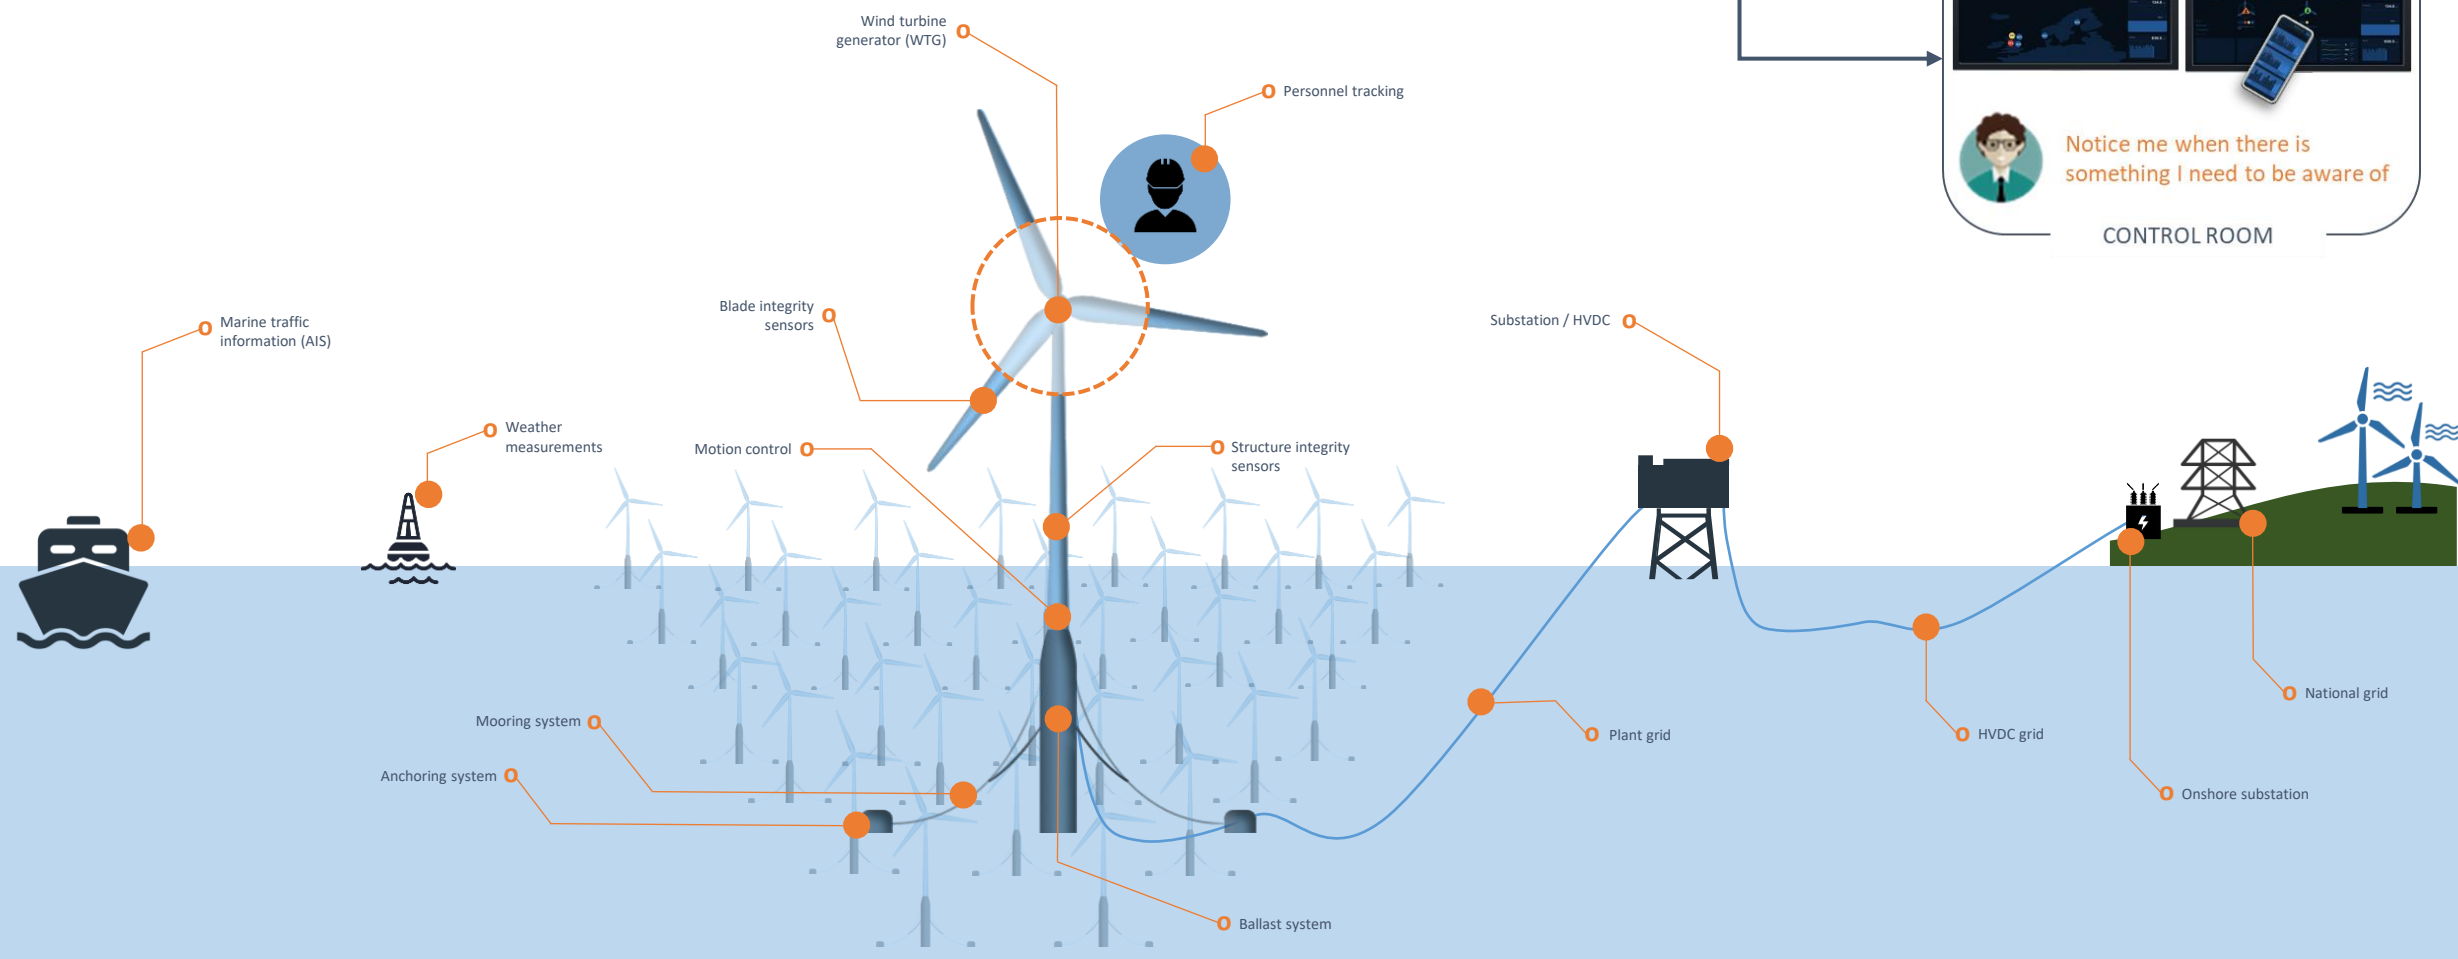

### Onshore Infrastructure / Industry

CERTIFIED PARTNER PLATFORMS:

# Common SCADA solution for Dogger Bank A, B and C

## Connecting various system interfaces

Takk for oppmerksomheten
