

Brazil Oil & Gas Market Outlook and Business Opportunities

June 23rd | 13h (Oslo time) | Online

Innovation Norway invites your company to join a webinar on opportunities on Brazilian O&G market.

We are honored to host IBP - Brazilian Petroleum, Gas and Biofuels Institute to present opportunities in Brazil and Repsol Sinopec Brasil to present the company's challenges and its requirements for expenditure in RD&I under the levy regulation in Brazil.

Program

Welcome
