

SCIENCE MEETS INDUSTRY OFFSHORE WIND ENERGY

29–30 NOVEMBER 2021 | Kristiansand Dyrepark

GCE NODE, NORCE NORWEGIAN RESEARCH CENTRE AND THE UNIVERSITY OF AGDER HAVE THE PLEASURE OF INVITING YOU TO SCIENCE MEETS INDUSTRY – OFFSHORE WIND ENERGY SEMINAR.

Participants will have the opportunity to hear about ongoing cutting-edge research and innovation initiatives for the rapidly developing offshore wind market.

Leading industrial leaders will share their perspectives on technical challenges and the needs for further research and development initiatives. Several aspects for advancing the offshore wind market will be addressed including potential show-stoppers.

We look forward to welcoming you to Science Meets Industry – Offshore Wind Energy in Kristiansand!
