

2 – 5 MAY 2022

OTC – HOUSTON

Global Center of Expertise NODE invites you to the Agder Region OTC seminar “The Energy Transition - Strategy, Innovation, Emerging Technologies and Business Opportunities” hosted by the Norwegian Consul General Hilde Skorpen.

Date: April 29, 2022
Time: 9:00 am – 1:00 pm, registration and light breakfast from 8:30 am
Location: Norway House, 3410 W Dallas St, Houston
Language: English

The seminar brings leading experts together to share perspectives on the changing energy landscape and the emergence of renewables. Topics will include developing an energy strategy, innovation for creating and capitalizing on opportunities, as well as exciting new technologies that support and enhance clean energy solutions.

The seminar is a continuation of the NorTex cooperation. The goal is to share information and expertise across borders and entities thereby strengthening partnerships and collaboration and ensuring the industry’s value creation and sustainability.
