

A young girl with blonde hair, wearing a blue jacket and a backpack, stands on a rocky outcrop with her arms outstretched. She is looking out over a vast blue sea under a clear blue sky. The scene is bright and open, symbolizing exploration and future possibilities.

Maritim digitalisering som svar på FNs bærekraftsmål

Dekarbonisering

Digitalisering

Digitalisering står for en **femtedel** av løsningen

Hvordan lykkes vi?

A satellite is shown in orbit above Earth. The satellite has two large solar panel arrays extended outwards. The Earth's surface is covered in a dense layer of white clouds, and the horizon of the planet is visible against the dark background of space.
