

SCIENCE MEETS INDUSTRY OFFSHORE WIND ENERGY

20-21 MARCH 2023 | STRAND HOTEL FEVIK, GRIMSTAD

PRE-DINNER PITCHING PROGRAM

Isabelle-Louise Aabel
Project Manager EU, Sustainability and Equality, GCE NODE

Aabel holds a Master's degree in Public Policy and Management from the University of Agder. Her specialization is within political science, management and EU. She has a broad work experience, with extensive understanding of the EU system. Earlier she has held positions in the South-Norway European Office, Red Cross and Agder County. Aabel is an Trainee Sør alumni.

Aabel is currently Project Manager at GCE NODE and Communication Manager at Port of Kristiansand. In GCE NODE she works with project development and networking. Aabel is a driving force for sustainability and improvement in the region. In addition, she holds a position in "Fremtidens Havvind", a collaboration project for offshore wind in the Agder region.
